

Attached is a compilation of feedback to date on [FINRA Regulatory Notice 13-42](#), FINRA Requests Comment on a Concept Proposal to Develop the Comprehensive Automated Risk Data System (CARDS). We will discuss including a short/medium term recommendation as part of our FIF comment letter on CARDS. Please note that the comment period has been extended to March 21, 2014 so we have additional time to prepare our letter.

Regards,
Manisha
